

READY TO STREAMLINE B2B PAYMENT PROCESSES?

The B2B payment experts at PayTrace save you time, money, and effort.

7 WINS

for MERCHANTS WHO PARTNER WITH PAYTRACE

1 IMPROVED EFFICIENCY

Streamlined processes save steps, reduce errors, and improve efficiency.

2 SLASHED FEES

Interchange optimization drastically lowers credit card transaction fees.

3 FASTER PAYMENTS

Reduce past due invoices and decrease DSO from 28 days to less than 1 day.

4 LIGHTER WORKLOADS

Free up your AR team's workload by reducing time spent managing receivables and collections.

5 INSTANT INSIGHTS

Integrate seamlessly with your ERP for real-time visibility into payment status.

6 SIMPLE SELF SERVICE

Buyers can pay B2B bills online, on a mobile device, or over the phone.

7 ACCELERATED CASH FLOW

Grow your business with faster access to capital.

PayTrace combines a payment gateway, e-invoicing, payment processing, an acquirer, and risk management into one B2B payments platform that integrates with your tech.
